

How to fill in the score card for Odds/Evens and determine centre pass at the break of play

Working example

NIS Kauri and NIS Totara verse each other on COL3 at 8:30am. The umpires have done the toss and NIS Totara won the toss. They choose the ball, meaning they will start the game with the first centre pass.

1. At the start of the game

The team that starts the game with the first centre pass always start with EVENS (E), and the other team starts with ODDS (O) as per the score card below. Mark the odds and evens as indicated in the score card below.

2. To determine which team has the next centre pass after a goal has been scored

One of the teams has just scored but the umpires are unsure as to who should take the next centre pass. To resolve this, the scores should be added together i.e. if NIS Kauri leads 3-2, add the scores together ($3+2=5$) and determine if the result is an even or odd number. In this example, 5 is an odd number, and NIS Kauri is marked as odds (O), and therefore NIS Kauri will have the next centre pass.

3. At the end of the first quarter

The score at the end of the first quarter is 6-1 to NIS Kauri. The ball was in play when the umpire blows the whistle to signal the end of the quarter. As illustrated in the next score card, the umpire will:

- a. Circle the scores at the end of the quarter
- b. Change the ODDS/EVENS over for the next quarter (2ND)

When play resumes in the second quarter, NIS Totara will start with the ball as the total score (6+1=7) is an odd number, and NIS Totara will always have the centre pass this quarter if the total score is an odd (O) number. NIS Kauri will always have the centre pass if the total score is an even (E) number.

4. At the end of the second quarter

The score at the end of the second quarter is 10-3 to NIS Kauri. In this instance, **the goal had just been scored, and the next centre pass had not been taken**. At the break, the ball is considered not in play (or centre pass had not been taken) if:

- a. The goal had just been scored by one of the teams, and the umpire blows the whistle to signal the end of the quarter before anyone was ready to restart play
- b. The centre had at least one foot in the centre circle ready to start the centre pass, but the ball has not left the centre's hands when the umpire blows the whistle to signal the end of the quarter.

As illustrated in the next score card, the umpire will:

- Circle the scores at the end of the quarter
- **Keep the ODDS/EVENS the same for the next quarter (3RD)**
