Rules and regulations

Northern Suburbs Netball Committee Members are present at the courts each Saturday and are recognizable in orange vests.

Year 5 & 6 - 6v6 game format

Equipment

GOALPOSTS: 2.6-metres. BALL: A size 4 Netball. 6v6 BIBS: 2 x A, 2 x C, 2 x D

The Team

During a game, a minimum of five and maximum of six players from a team may be on the court at any one time, one of whom must play as Centre. Both girls and boys can play without restriction.

It is recommended that teams should not exceed nine players.

Duration of the Game

Games have four x 8 minute quarters. There will be a one minute interval between quarters and two minutes at half time. There is a five minute turnaround between games. (40 minutes per game). The timekeeper will sound the bell to signal to the umpires the start and end of each game quarter. The umpire will blow his/her whistle to start and stop each quarter. Teams change ends at half time.

Substitutions

Both teams have the right to make rolling substitutions and/or team changes, at any stage of the game, with the players meeting at the side line and high fiving. There is no limit to the number of substitutions which can be made by a team.

Start of Play

A Centre from each team will use Paper, Scissors, Rock to determine who will start with the ball at the start of every quarter. The Centre in possession of the ball stands with at least one foot wholly within the centre circle. The other Centre stands on the side line in the Centre Third with the opposing teams other Centre. Once the centre pass has been received, these players can enter play. After a goal is scored, play restarts with a centre pass by the non-scoring team.

Summary of the Rules

- ◆ Players must pass or shoot within 5 seconds.
- ◆ A goal may only be scored by the A's.
- ◆ For throw ins - players take turns e.g. if it is the defence thrown in in the goal third – one defender throws in and then the other defender takes the next throw in.
- ◆ Players must be at least 1 metre away.

More detailed information can be found at: <https://www.futureferns.co.nz>

Year 7 & 8 - 7v7 game format

Equipment

GOALPOSTS: 3.05-metres BALL: A size 5 Netball

The Team

Seven players per team on court at any one time. Both girls and boys can play without restriction. It is recommended that teams should not exceed ten players.

Duration of the Game

Games have four x 10 minute quarters with one minute between quarters and three minutes at half time. (50 minutes per game). The timekeeper will sound the bell to signal to the umpires the start and end of each game quarter. The umpire will blow his/her whistle to start and stop each quarter. Teams change ends after each interval.

Substitutions

Both teams have the right to make rolling substitutions and/or team changes, at any stage of the game, with the players meeting at the side line and high fiving. There is no limit to the number of substitutions which can be made by a team.

More detailed information can be found at: <https://www.futureferns.co.nz>

Teams Arriving Late

It is expected that before the game teams ensure they have enough time to complete the toss up, undertake routine checks of nails, shoes, etc, and be on the court ready to play before the bell sounds to start the game.

If a team is late and the bell has sounded they have two minutes to be ready to take to the court. A penalty will be awarded in the following manner:

If the offending team wins the toss, the umpire will start the game, then IMMEDIATELY after starting the game, the umpire blows the whistle to award a PENALTY to the non-offending team. If the non-offending team wins the toss, the umpire starts the game, then IMMEDIATELY after starting the game the Umpire will award the PENALTY by moving the player forward to the closest transverse line.

If, after 2 minutes of the bell sounding to start a game, the team with at least 5 players has not completed the toss up and undertaken routine checks, this results in a DEFAULT WIN to the non-offending team.

If a team starts the game with 5 or 6 players and has a player arrive late to join in, an umpire must be advised & the player checked before taking the court.

Rule Books

There are two books available for purchase from Netball Wellington Centre

1. International Netball Federation (INF) Rule Book \$8
2. Introduction to Netball Umpiring Booklet \$5

An online version of the International Rule book can be found at
<http://www.netballnz.co.nz/our-game/rules-of-netball>

Scoring of Games

Each team provides a scorer for the game. The two scorers must stand together for the duration of the game at the centre sideline. After each quarter, the umpires check the scorecard, the scorecard may be handed to the scorer from the other team to complete for the second half (not compulsory). Both scorers stay on the half way line for the entire game.

We strongly encourage good communication between the two scorers throughout the whole game. The scorer without the scorecard should be confirming every goal scored. The umpire may refer to the score so he/she can determine which team has the Centre Pass.

Defaults

If a coach is aware their team will be defaulting their game they must contact the Draw Committee before COB on the Friday before the game at drawcommittee@nsnetball.co.nz.

Injuries/Illness

'**TIME**' may be called by **any player** on court to stop the game.

A qualified First Aid person is on site for all games at Newlands College and Newlands Intermediate.

A game may be stopped for injury/illness until the situation has been resolved for a maximum of 30 seconds. **NSN does not add extra time for injuries**. Games stop when the bell is sounded by the timekeeper.

Where possible, *and only if it is safe to do so*, move an injured player from the court to allow the game to continue. A substitute may replace an injured player. The injured player cannot return to the court until there is another injury stoppage or after an interval. If there is doubt about moving an injured player, please do not move him/her.

If there is blood, the player must leave the court within 30 seconds and not return until the bleeding is controlled and the wound dressed. Any blood on the courts or ball, must also be washed away. Blood stained clothing must be removed. First Aid gear is held with the First Aid/Timekeeper at the courts.

On the School Grounds

- ◆ On the College or Intermediate grounds - DO NOT: Smoke or vape
- ◆ Bring dogs
- ◆ Venture into any building sites
- ◆ Park on the College grounds
- ◆ Park illegally on the Intermediate grounds
- ◆ Leave any child unsupervised

Please note: Only water may be consumed on turf courts. No food allowed.

Ensure that the sidelines of the courts are clear of obstacles e.g., prams, bags, umbrellas, chairs.

Complaints

An attempt to resolve any complaint should be made when an incident occurs. The Duty Umpire and Committee Members are available during play each Saturday to facilitate. If required, please approach one of these people during a game, not after a game is completed.

There is a Complaints Resolution Process in place. Decisions are determined by a Complaints Committee as set out in the Constitution. A copy of the process and the Complaints Form has been issued to each school and is available on our website.

Complaints must be processed as follows:

- ◆ The complaint must be in writing on the Complaint Form and sent to the Complaints Committee within 7 days of the event being complained about.
- ◆ The signature of the Principal/Deputy Principal of the School complaining **must** be on the Complaint form.
- ◆ The Complaints Committee will action the complaint within 10 working days of receipt of all information. The course of action recommended by the Committee will be documented and forwarded to both Schools concerned together with the individuals involved in the complaint

If you have any queries regarding the Complaints Resolution Process please approach any Committee Member.

Parking

Plan to arrive in plenty of time to find a park and then walk to the courts.

There is **no parking** on the **College grounds**. You may **park at Newlands Intermediate School**. However the school has expressed concern over illegal parking. Non-compliance will result in parking facilities being withdrawn on this ground also.

Do not park in a position that will hinder the passage of an ambulance or other cars.

Do not park down the driveway of the Intermediate or on any other yellow lines.

Mobility Parks: If you require parking in a mobility park you must display your sticker and obtain a Parking Pass from the Chairperson at least one week beforehand.

Parking at the Intermediate or on the street is at your own risk.

The Draw

The draw is compiled by a team of Northern Suburbs Netball Committee members. Some important notes about the draw are:

- ◆ The draw is available on the website no later than the Thursday before Saturday's play: **www.nsnetball.co.nz** Draw changes are occasionally possible up until Wednesday night.
- ◆
- ◆ The season dates are set by the Committee and usually begin the first Saturday after the start of the second term. The season runs for no more than 15 rounds.
- ◆
- ◆ There is no play on Queen's Birthday weekend, or on the second and third Saturdays of July school holidays.

Cancellations

There are two ways you can find out if the games have been cancelled:

1. On our website **www.nsnetball.co.nz**
2. A text message is sent to the registered coach of each team.

The Committee has nominated two Committee Members to make a decision each Saturday as to whether play will commence on that day. Decisions are made by 7.30am on a Saturday morning.

Once the decision to cancel games has been made it will not be revoked.

The Teams

Teams

- ◆ All netball players must be enrolled as a student of a Member School of Northern Suburbs Netball.
- ◆ Players are required to be registered as part of a team.
- ◆ Schools can combine student year groups in grades but that team must be entered into the competition in the higher year grade.

If a team is missing players, they can start a game with a minimum of 5 players. They may use other players from the same or a lower grade from the same school.

For example in the Intermediate A1 grade, the team can use a player from another team from their own school who is in this grade or any lower grade e.g. A2 or B1 or C1 etc.

A player may only play in a higher grade **twice**. On the third time that player will be deemed to be registered in the higher grade.

For non competitive games i.e. Year 5 grade and lower teams may use players from another school to make up team numbers. However, Year 6 grade and above a team cannot use a player from another school even though that child may be in a lower grade.

If a team has lost players or is having trouble fielding a team each week, the coach or school co-ordinator is welcome to approach the Chair of NSN who may be able to offer an alternative solution.

Team Captain

- ◆ For Year 7 & 8 games the team captains shall toss for choice of first centre pass or goal end, and notify the umpires.
- ◆
- ◆ The **team captain** is the **only person** who has the right to approach an umpire during an interval or at the end of the game for clarification of any rule.
- ◆
- ◆ The umpire cannot be approached during play unless by a player needing “time”.

Representative Teams

For 2018 Northern Suburbs Netball will select Year 8 Representative Squad(s) who represent Northern Suburbs Netball at Junior Representative Tournaments. Refer to our website for more information regarding these teams.

Hataitai Competition – Intermediate A Grade

After the completion of Round 1 (first term of netball) the top three Intermediate teams will compete in the Year 8 championship competition organised by Netball Wellington Centre. This is a great opportunity to extend these teams by playing with the top two teams from each satellite centre (Northern Suburbs, Wellington West and Motu Kairangi).

NSN Competition structure

The structure of NSN competition is as follows:

- ◆ Grading games comprises of 3 or 4 games
- ◆ Round 1 comprises of up to 5 games
- ◆ Competition round comprises of up to 5 games

Teams may be re-assigned to a different grade after 3 grading games, after the final grading game or after Round 1.

Points structure for Round 1 and Competition Round only

Win 4 points, Draw 2 points, Loss 1 point, Default 0 points to defaulting team and 4 points to the team that was defaulted against.

BEHAVIOUR AT THE COURTS

The purpose of any sport is primarily enjoyment. Children play sport for many reasons: fitness, skills, friendships, fun, etc. Below is our Code of Conduct and Ethics that parents, players, coaches, supporters, officials, etc are expected to keep enabling the best possible outcome for everyone involved.

Parents/Spectator/Supporters Code of Conduct and Ethics.

If children are interested, encourage and support them to play.	Everyone makes mistakes but role model sporting behaviour by skipping over wrong umpire calls and carrying on.	Recognise and value the importance of coaches and other volunteers, who give their time and resources to provide Netball. They deserve support.
Teach children that effort is as important as victory, so that the result of each game is accepted without undue disappointment.	Encourage children to play to the rules and respect umpires' decisions.	Lead by example.
Children learn by taking risks and making mistakes, so encourage and support this.		Support the removal of verbal and physical abuse from the game.
Applaud good play by players on both teams.	Remember children are involved in Netball for their enjoyment, not yours.	Avoid forcing children to play if reluctant.

Recognise the value and importance of volunteer coaches, umpires and managers. They give their time to provide recreational activities for your child.

Coaches & other team officials Code of Conduct and Ethics

Remember children's main reason for playing is for fun!	Be a role model and ensure players display the same qualities.	Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of players.
Encourage effort and skill; this will increase self-esteem and self-confidence.	Encourage players to show respect for opponents, team-mates, umpires, officials and spectators.	Respect the talent, development stage and goals of each player.
Display a professional manner with regard to language, preparation, planning and presentation.		Treat all equally and cater for individual difference based on gender, ethnic origin, religion or ability.
Follow the advice of medics when determining if an injured player is ready to resume playing or not.		Ensure players enjoy and develop their skills and play by using positive, specific and constructive feedback.
Be reasonable in demands on player's time, energy and enthusiasm.	Allow opportunities for players to develop decision making skills.	Commit to increasing knowledge of sound coaching principles and development stages of young children.

International Rule 6.2

Coaching is allowed from the sidelines while play is in progress and during intervals. The coach is not allowed to move up and down the sidelines or the ends of the court. Pick a spot and stay there. Coaching is allowed during injury breaks or stoppages but the coach is not allowed onto the court.

Player's Code of Conduct and Ethics

Play for fun and enjoyment of Netball.	Treat all players as you would like to be treated. Do not bully or take unfair advantage of another player.	Control your temper. Verbal abuse or deliberate contact and abusive behaviour is unacceptable.
Play according to the rules of Netball and the principles of fair play.		Play equally hard for yourself and your team. Your team's performance will benefit and so will you.
Be a good sport. Cheer all good play from your team and the opposition.		Appreciate and co-operate with your coach, team-mates and officials, as there would be no game without them.
Take responsibility for your performance on and off the court.		Bring a positive sporting attitude to each practice and game.

Coaches and Umpires

Each team is responsible for supplying their coach, umpire and manger. All teams must have all positions filled, including umpire, before their team can be registered to play in the competition.

Coaches

We value our volunteer coaches and want to play an active part in their development. In order to achieve this we offer and provide access to training for beginner coaches through to the more advanced coaches. Coach training is offered to volunteer coaches to assist with their development and confidence. Confident coaches can then provide players with quality coaching. If you would like to know more about coach training please email secretary@nsnetball.co.nz.

Coaching clinics will be advised to School Netball Coordinators, promoted on the website and emailed via general email distribution. Please check the website for updated information.

Umpires

Umpiring classes and events will be held either pre-season or throughout the season. The Umpire Coordinator will advise when these are scheduled. Umpire classes are designed for all levels of umpiring experience and should be attended by all umpires to ensure a level of consistency within the competition (see website – “Umpires” page for further information).

The Umpire Guidelines are set to ensure standardisation among umpires and include:

- ◆ no umpiring the team you coach
- ◆ no coaching whilst umpiring
- ◆ always aiming to improve as an umpire
- ◆ attending training classes each season
- ◆ sitting and passing the NNZ Centre Theory Test Bank

PLEASE NOTE: All games have two umpires.
Umpires may not be changed during the course of the game.

Duty Umpire

The Duty/Acting Duty Umpire is a qualified umpire who is available each Saturday to give support to all umpires. The Duty Umpire wears a yellow fluorescent vest.

Kiwi Whistler Umpires

Kiwi Whistlers are Year 8 players who are completing a theory and practical course to qualify as an umpire. As part of their training during the season, The Kiwi Whistlers will umpire year 5 & 6 games in place of the team's own umpire. The teams concerned will be contacted by the Kiwi Whistler Coordinator when this will happen. The Kiwi Whistlers wear white bibs and are supervised by mentors who wear a fluorescent vest.

There may be Adult Kiwi Whistlers umpiring who have also attended a similar course.

If you are interested in learning to umpire or wanting to umpire for a team please email the Umpire Coordinator at: umpirecoordinator@nsnetball.co.nz

**ALL UMPIRES, REGARDLESS OF AGE OR EXPERIENCE,
SHOULD BE TREATED WITH RESPECT AND COURTESY.
THEY ARE ESSENTIAL TO THE GAME OF NETBALL.**

History

The Raroa Netball Competition was established in 1969 by Barbara Fabish. The competition has developed over the years to become a popular and widely contested tournament by participating Schools in the Northern suburbs of Wellington. A name change in 1994 saw the emergence of the Northern Suburbs Netball Competition.

In 1998 the Northern Suburbs Netball (NSN) Committee was established and members were invited from participating Schools. The purpose of the Committee was primarily to take over many of the administration tasks undertaken in the part by a nominated organising School.

In 1999 the competition celebrated a 30 year anniversary.

In 2000 the Northern Suburbs Netball Constitution was adopted and then amended in 2004.

In 2005 Northern Suburbs Netball progressed to become an incorporated society. Incorporation provides a legal structure for NSN and will reduce liability for Member Schools. A copy of the Constitution is available from www.societies.govt.nz, search using "Northern Suburbs Netball".
